# Kaleidescape Mini System

Getting Started

## Control Buttons

**Tip:** To access the Mini System control buttons, fold down the front panel.

- Eject** To open or close the disc tray, press the **Eject** button.
- Play** To play a DVD or CD without importing it, place the DVD or CD in the disc tray and press the **Play** button. You can also use the **Play** button to cancel an import and begin playing the disc.
- Import** To import a DVD or CD into the system, place the DVD or CD in the disc tray and press the **Import** button. You can also use the **Import** button to stop playing a disc in the tray and begin importing it.
- Power** To turn on the Mini System or to put it in standby, press the **Power** button.

# Using the Remote

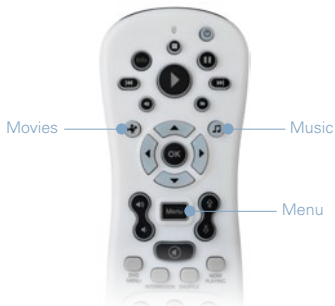

## 1 Turn on the Kaleidescape Mini System

Press the **Power** button.

## 2 Select either Movies or Music

Press the **Movies** or **Music** button.

**Tip:** Press the **Menu** button to bring up the Kaleidescape menu and to access other views.

## 3 Select a Title

Use the **Arrow** buttons to select a title.

**Tip:** Use the **Page Up/Down** buttons to scroll by page.

## 4 Play It

Press the **Play** button to play a movie or music title.

# Other Resources and Support

## Kaleidescape System Activation

To activate your system and enable all of its features, visit our website.

[www.kaleidescape.com/activate/](http://www.kaleidescape.com/activate/)

## Web Utility

From a PC on your home network, you can customize your system, manage your Movie and Music library, and synchronize music to iTunes. To access the Web Utility, enter the following:

<http://my-kaleidescape/> or

<http://my-kaleidescape.local/> (on a Mac)

## Loan Program

If you have a DVD or CD that is not recognized by the Kaleidescape System, you can send us the disc for processing. For more information, see the DVD/CD Loan Process Quick Reference Guide on our website.
