

DISNEY CONTENT AMENDMENT
to the
KALEIDESCAPE SERVICE AND LICENSE AGREEMENT

Your use of your Kaleidescape System is subject to the terms and conditions contained in your Service and License Agreement (“SLA”) with Kaleidescape, which can be found at www.kaleidescape.com/go/sla. If accepted by you, this Amendment modifies and is incorporated into your SLA. The terms and conditions of this Amendment shall survive the termination of your SLA.

Your voluntary acceptance of the following terms and conditions as an amendment to your SLA will change the way your Kaleidescape System operates. Please read the following and decide whether these changes fit with how you wish to use your Kaleidescape System.

1. It will no longer be possible to import a Disney title onto your Kaleidescape System from a DVD or Blu-ray disc.
2. Any Disney title which has already been imported onto your Kaleidescape System from a DVD or Blu-ray disc will not be affected. It will remain playable unless you delete it. Once deleted, it may not be re-imported from disc.
3. If you purchase a Disney title on DVD or Blu-ray disc after accepting this Amendment, you can play it directly from the disc by inserting it into the Movie Player. Alternatively, you can place it into an M700 or DV700 Disc Vault, and it will appear onscreen as part of your library. You can play a movie from the Vault just as if it had been imported, and the Movie Player will read the disc over your local network. Starting a movie this way usually takes between 20 and 40 seconds. It can only be played by one Movie Player at a time, but otherwise the movie behaves the same as if it were imported. You can see a video demonstration of this feature at store.kaleidescape.com/go/disney/video.
4. This Amendment only affects Disney titles. The behavior of your Kaleidescape System will remain unchanged for all other content.
5. If you own more than one Kaleidescape System, you may choose to accept or decline this Amendment for each of your systems individually. Disney titles purchased from the Kaleidescape Movie Store may only be downloaded to systems for which you have accepted the Amendment.
6. Some Disney titles that are available on DVD or Blu-ray disc may not be available for purchase from the Kaleidescape Movie Store. At present, this is the case for television content, and certain less popular titles. Your only option for playing such a title is to play it directly from the DVD or Blu-ray disc, as described in (3) above.

7. These limitations apply to all movie and television content licensed by The Walt Disney Studios. This includes every title from Disney, Walt Disney Animation Studios, Disney•Pixar, Marvel Studios, Lucasfilm, Touchstone Pictures, and Buena Vista Home Entertainment (including ABC Television). From time to time the rights for movies owned by one studio are transferred to another. As a result, the studio shown on the packaging for a DVD or Blu-ray disc may not reflect the current rights owner of that title. Therefore, it may be impossible to tell from a disc's packaging whether or not that disc is affected by this Amendment. A list of titles that cannot be imported is at store.kaleidescape.com/go/disney/titles, and this list will be updated from time to time.
8. If you accept this Amendment by mistake, you may terminate the Amendment, and reverse the changes to your System, by notifying Kaleidescape via email to legal@kaleidescape.com within ten (10) days of acceptance. In that case, any Disney titles you have downloaded from the Movie Store will no longer be playable on your System, and your purchases of such titles will not be eligible for refund.

When deciding whether to accept this Amendment, you should consider how you buy movies today. Many of our customers have found that they prefer buying all of their movies from the Kaleidescape Movie Store, which eliminates the disc presence requirements of a Blu-ray disc without sacrificing quality. Other customers may wish to retain the flexibility of having a DVD or Blu-ray disc for use when traveling.

If you plan to purchase most of your movies from the Kaleidescape Movie Store, then accepting this Amendment gives you access to hundreds of new titles, while preserving the Disney titles you have already imported from disc.

You are not under any obligation to accept this Amendment. Should you decide to decline the Amendment at this time, you may accept it at any time in the future.
